## The Chess Journalist - Winter 1991-1992

### MINUTES OF THE 1991 BUSINESS MEETING

compiled by Mike Nolan

The annual meeting of the Chess Journalists of America was called to order at 3:06 p.m., 8/1/91, by President Ira Lee Riddle.

The minutes of the 1990 meeting were approved as distributed.

President's report: President Riddle noted that we had survived another year, and that three issues of The Chess Journalist had been published.

Secretary's report: Secretary Michael Nolan recommended that there be consolidation of offices to combine the offices of Secretary and Vice President/Treasurer, since the duties of these are so intertwined as to make it difficult to conduct business when the officers are spread out over the country. This needs to be made as a bylaws amendment and passed at the 1992 meeting.

Election of officers for 1991-1992: President - Ira Lee Riddle; Vice-President/Treasurer - Frank Elley; Secretary - Frank Elley.

Chess Journalist Awards: see article in this issue.  
Old Business: Affiliation with USCF. Moved by Rusty Miller that CJA continue its affiliation with USCF. Moved by Michael Nolan that the matter be referred to the executive committee. Motion to refer failed. Main motion passed 14-4. (Dues for 1991 had already been paid.)  
New Business: Moved by Michael Nolan that the category "Best Independent Magazine" be renamed "Best Serial Chess Publication." Motion passed 14-4. (Note: the motion as originally introduced read "Best Chess Publication;" discussion clearly indicated that this was only to include continuing publications, not one-time efforts.

The word "Serial" was inserted as clarification at the suggestion of Gerry Dullea.)

Moved by Michael Nolan that the Bylaws be amended to combine the offices of Vice President/Treasurer and Secretary, resulting in only two officers for CJA. Motion passed unanimously. The Bylaws committee will determine the final wording, which will appear in The Chess Journalist for final consideration in 1992.

Announcements: Robert Erbe noted that the Chess Life covers for the previous year were on display and requested that members vote for the best cover.

There being no further business, the meeting was adjourned at 4:02 p.m.

organization. Notice the letter missing: U. We need you to send me articles, unless you want just this type of magazine: dry and factual.

You can send me material on disk or typed. I have an IBM compatible computer, so please send in ASCII format, so that it takes less time to clean up the file. If you use WordStar, send it in that format, as that is what I use myself.
