thiness, truthfulness, and tastefulness; that truth is usually its own justification and supersedes wounded egos as a criterion for publication; and that we call on president Ira Lee Riddle to make known this CJA resolution at the time of the delegate's debate on the Denker motion.

Substitute motion by Michael Nolan: "The Chess Journalists of America support the concept of editorial freedom and encourage all chess publications to present matters of a sensitive nature in a balanced discussion of issues, with minimal references to individual personalities.

We reaffirm this view with respect to ADM 24."

Motion to substitute passed 7-1. Motion passed 7-1.

Motion by Larry Parr: Be it resolved: That the CJA condemns threats by USCF politicians against its members; that the CJA condemns Policy Board member Jerry Hanken for threatening to drive CJA Co-Journalist of the Year GM Larry Evans from chess because he is a "yellow mucking journalist;" that the CJA states forcefully that it is not the role of Jerry Hanken or any other USCF officer to drive chess journalists from organized chess; and that CJA president Ira Lee Riddle inform delegates during session of the contents of this resolution.

Motion failed 1-7.
